#2 Check the Session and Price you wish to register for:

Why 3 Prices? Realizing that families have differing abilities to pay, we've instituted a voluntary 3-tier pricing program. **Price A** is our historically subsidized rate, and does not reflect the true cost of having your child at camp. **Price B** is a partially subsidized rate for families that can afford a little more and **Price C** more accurately accounts for true costs, including long term wear & tear and facility/program improvements. This program is voluntary, requires no paper work and in no way influences the experience children receive. • Additional personal pricing is available for those who qualify. • Visit our website or call to request an application
